EXPERIENCE

Marketing and Community Engagement Coordinator, *UF Institute on Aging*, Gainesville, FL 09/2026-Present
Marketing and Community Engagement Assistant, *UF Institute on Aging*, Gainesville, FL 03/2026-09/2026

- Led event management, planning, and development of the Institute's first seminar series translating research into the community, including publicity initiatives, budget planning , RSVP management, and stakeholder and vendor coordination
- Coordinated monthly aging seminar for faculty, staff, and students, including speaker communications and itinerary development, email distribution, event catering within provided budget, and day-of-event logistics management
- Organized biweekly workshop for faculty and trainees to provide peer feedback on grant submissions by coordinating session presenters, engaging a hybrid environment, and providing post-session materials to ensure receipt of feedback
- Managed and designed relaunch of website after a three-year hiatus, ensuring accessibility compliance and relevant updates

Gerontology Intern, *Wallis Annenberg GenSpace Community Center*, Los Angeles, CA 08/2024-05/2025

- Conceptualized and executed a 3-class series, averaging 15 attendees per session, on sustainable lifestyles, eco-friendly habits, and the intersection of climate change and aging, using original presentations, discussions, and interactive activities
- Led a workshop with original presentations and handouts for 12 members on the science behind exercise for older adults
- Hosted a 5-week series on brain health education and the evidence-based utilization of games to improve cognitive health
- Led implementation of an Excel operations system to assign schedules from class preference surveys from 170 respondents

Community Engagement Worker, *Los Angeles Caregiver Resource Center*, Los Angeles, CA 09/2023-05/2025

- Created marketing assets in response to 30 total requests from internal departments for Eventbrite, Mailchimp, Center webpage, and printed copies, which ensures a broad knowledge of Center events, operations, and objectives
- Transformed 4 PowerPoint presentations by condensing complex information into visually engaging, accessible slides for webinars and workshops tailored for family caregivers and older adult audiences
- Led communications to secure newsletter placements and promotional partnership with peer organizations

Publicity Intern, *Television Academy Foundation*, Los Angeles, CA 06/2023-08/2023

- Crafted 15 weekly recap reports total across 3 film and television publicity campaigns by identifying placements and coverage across various media channels, as well as reviewing interviews and journalist quotes to capture overall sentiment
- Prepared talent itineraries, backgrounder documents, and logistical calendars for 2 global press junkets and 2 film festivals
- Managed and organized press lists with thousands of media contacts across the U.S. and Canada

Development and External Relations Intern, *USC Annenberg*, Los Angeles, CA 09/2022-05/2023

- Prepared briefings for events with upwards of 230 attendees by performing research on prospective donors
- Composed and delivered 90 personalized digital thank-you notes to donors to foster continued engagement
- Created presentations featuring student impact stories for promotion in stewardship initiatives and media channels
- Developed, managed, and tracked guest lists based on prior affiliation with university affairs, utilizing Salesforce CRM
